

2018 Belgian Fest Beer List

January 27, 2018

Anacortes Brewery-Anacortes-Table #3

1) Dubbel Vision (7.8% ABV/25 IBU)

Our traditional Belgian-style Dubbel is malt forward and brewed with European Black Prinz malt, brown sugar and honey. Starting with aroma and flavor notes of ripe banana, this dark beer then finishes with a pleasant spicy sweetness and just a touch of alcohol warmth that hints at its 7.8% ABV.

2) Trippel Vision (9.99% ABV/6 IBU)

Our Belgian Trippel adheres to traditional guidelines with its pale straw color from mostly pilsner malt and its high alcohol content. The aromas and flavors of peach nectar blend with characteristic Belgian yeast spiciness to make your lips sing!

3) Peppercorn Saison (4.6% ABV/15 IBU)

While the most quaffable of our Belgian beers, this guy still packs a punch. We add four different types of peppercorns (black, green, pink and white) to give our traditional Saison a savory flavor that compliments its dry finish.

4) Bravetart (7% ABV/ 35 IBU)

Our intrepid Broadsword Scottish ale aged in a bourbon barrel for a year and a day emerges with flavors of tart raspberries, crab apple, even cabernet sauvignon and aromas of over ripe fruit, subtle aged cheese and some barnyard funk. They may take our lagers, they may take our ales, but they'll never take our Bravetart!
